

**EW-7438RPn V2 N300 Universal Wi-Fi Extender**

**How to verify the hardware version of the EW-7438RPn**

- 1) Check the Upper Right Hand Corner of item Package if there is “EW-7438RPn V2” on package.

- 2) Check the label on our Edimax Extender if there is **(V2.0A)** under the barcode.
